PRAYERS IN THIS SEASON...

- In our daily activities & travels we pray for meaningful experiences, healthy playful encounters and safety.
- For Spring's beginnings, for learning to live with respect, to create beauty and choosing kindness day-by-day.
- Individuals and families who are grieving the death of a loved one; or are living with particular losses, disappointments and absences in life.
- Gardeners who work the soil for beauty and nourishment; and those who nurture life, hope and joy in our lives and world.
