Everyone WELCOME

RBG 5 STAR

Ruth Bader Ginsburg (RBG) was the second woman appointed to the United States Supreme Court, but she's probably the first justice to become a full-fledged pop-cultural phenomenon. "RBG" is a riveting, loving, surprisingly touching documentary portrait of the iconic Justice Ginsburg during her 85th year on earth and her 25th on the bench. It tells a story that is both typical and the exceptional upward striving of first-and second-generation Jewish immigrants in the middle decades of the 20th century. It is also a great warm love story.

The documentary is light and its spirit buoyant but her passion is serious! Everyone welcome.
