

Sunday Zoom Virtual Movie Night May 22, 6:30 pm

This month's movie is **Civilian Resistance in Ukraine**

In ***Civilian Resistance in Ukraine***, international experts discuss strategies for building peace. What is going on in Ukraine? Will violence work to resolve this political problem? Could victories occur without bloodshed? Are there realistic alternatives that might outperform violence? The good news is that nonviolent alternatives are being used and planned for Ukraine. This 1-hour video offers you state-of-the-art thinking on what could be done to improve the circumstances in Ukraine. You will be surprised and hopefully inspired by these good people.

If you aren't available at 6:30 pm on Sunday, you can watch the video in advance and join us for the discussion at 7:45 pm. Here is the link if you wish to watch the YouTube video on your own: <https://www.youtube.com/watch?v=CcttVAA--0>
