The Polyjesters... in concert!

A Fundraiser for our Eritrean family of seven!

In 2015 Parkdale United Church sponsored a refugee family from Eritrea, 3 adult women; a mother, her daughter, daughter-in-law and two grandchildren. They have now been in Calgary for more than 2 years, and are making steady progress in their new life here in Calgary.

When the family arrived in Canada in 2015, they came without the mother's son; he is also the brother to one of the women, the husband to the other woman and father of their two children. He hadn't been heard from for several years and his whereabouts was unknown to the women. A few months after the women and children arrived in Canada, he was located in Cairo. Parkdale United Church then began the application process to reunite him with his family here in Calgary.

This January with sponsorship from Parkdale United Church he arrived in Canada. This was a very joyful occasion for the family; it brought much needed closure to a long journey of separation. With his arrival Parkdale United Church has embarked on another year of sponsorship, to support this deeply grateful family who are working hard to rebuild their lives here in Canada.
